Akshat Milan

Running Start Student at Bellevue College | Junior at Issaquah High School

Issaquah, Washington, United States

Summary

I'm a high school student at Issaquah High School with a strong interest in applied mathematics, data science, machine learning, and artificial intelligence. I enjoy problem-solving, analyzing patterns, and building projects that combine programming with logical reasoning.

Outside academics, I'm actively involved in volunteer work and leadership roles, including lifeguarding, swim instruction, and supporting community organizations. These experiences have helped me develop discipline, teamwork, communication, and time management skills.

Experience

Julius Boehm Swimming Pool

1 year 7 months

Swim Instructor

June 2024 - Present (1 year 7 months)

Issaquah, Washington, United States

I provide swim instruction to youth of varying skill levels, focusing on water safety, technical skill development, and confidence building. I tailor my teaching approach to each student's needs and communicate progress effectively with families. This role continually strengthens my leadership, communication, and situational decision-making abilities.

Lifeguard

August 2024 - Present (1 year 5 months)

I oversee the safety of patrons by maintaining constant surveillance of the pool area and enforcing all facility rules and safety protocols. I respond quickly and decisively to potential hazards, ensuring a secure environment for swimmers of all ages. This position continues to strengthen my focus, responsibility, and ability to remain calm under pressure.

Issaquah Little League

Junior Umpire

March 2022 - June 2023 (1 year 4 months)

Issaquah, Washington, United States

I served as a Junior Umpire for Issaquah Little League, assisting with officiating youth baseball games and ensuring fair play. I monitored game rules, made calls on plays, and supported lead umpires in maintaining a safe and organized field environment. This role strengthened my attention to detail, decision-making, and teamwork skills.

Education

Issaquah High School

· (2023 - 2027)

Bellevue College

Associate of Arts and Sciences - AAS · (September 2025 - June 2027)
